Kazakh-British Technical University(KBTU)

Hobbies and interests:

Taking pictures of sky, volunteering, doing fitness, socialising, active user of social media and etc.

Having an international career is my dream ☺

Favourite quotes:

Everything happens for a reason. Get busy living or get busy dying. When one door of happiness closes, another opens. Never regret. Do more whatever are you afraid of. Live your everyday as if it is your last day. It is hard to fail, but it is worse never to have tried to succeed. Challenges are what make life interesting and overcoming them is what makes life meaningful. It is not Better, not Worth, just Different.

Favorite bands (musicians):

Cardi B, Drake, Cryptonite, Black Star, Big Bang, Taylor Swift, The Weeknd, 6ix9ine
